Have you got a professional talent that you may be able to offer to Sehyog on a voluntary basis?

Perhaps youâ€™re a photographer happy to help capture regional events;
maybe youâ€™re an expert on social networking or a great trainer.

If so, weâ€™d love to hear from you.

Weâ€™re starting to develop a register of skills which may be useful for us to call on. Thereâ€™s no guarantee weâ€™ll need your particular expertise, but weâ€™d love to know they exist so that when an opportunity arises weâ€™ll know who to contact!
