Our Social Welfare Society works on "Self Help Basis". It is not funded by Government or any other source on regular basis. The society is run on donations from its well wishers and collection by the efforts of its workers. Donate Us for noble cause.

SYA provides services at no cost for everyone. In addition, we are still working on different projects to make our approach efficient. It is very hard to manage everything self and we request you to support & Join us.

At SYA, we believe in being open and accountable to our supporters.

We want you to know where and how we spend your money.

### **Where your money goes?**

We're committed to ensuring that as much as possible of the money that supporters give us is spent in ways that really benefit the people who need it.
